Jose Emmanuel Lumacang

Data and Records Assistant (Social Welfare)

Buenavista, Agusan del Norte, Philippines | joseemmanuellumacang@gmail.com | Phone and references available upon request

SUMMARY

Second-year BS Social Work student and part-time virtual assistant who builds automated systems that capture and organize records without manual entry. Built and runs 6 live workflows that each reach about 1,500 contacts a week and send about 200 SMS a day. Seeking a data and records assistant role in a social welfare office, where accurate, confidential records let social workers spend more time with the people they serve.

EXPERIENCE

Virtual Assistant (Automation), New Wine Digitals Part time, February 2025 to Present

- Built and maintain 6 live lead-handling workflows on GoGuruX, a CRM platform similar to GoHighLevel; each reaches about 1,500 contacts a week on average.
- Automated record keeping: every Facebook (Meta) lead form entry creates or updates a pipeline record, with no manual typing.
- Set up automated first-contact and follow-up messages; about 200 SMS a day go out with no manual sending.
- Designed contact tagging so each person gets the right follow-up path, by email or SMS, over more than a week.
- Build funnels and landing pages, write and test AI prompts, and edit graphics and video.

EDUCATION

Bachelor of Science in Social Work, Caraga State University Expected 2029

2nd year. Relevant coursework: Social Work Counseling; Legislation; Social Welfare Policies, Programs and Services; Social Welfare Agency Administration; data analysis labs in jamovi.

SKILLS

- **Data and records:** automated data capture with webhooks, CRM records and pipelines, contact tagging, data analysis in jamovi
- **Social work practice:** active listening, non-judgmental attitude, confidentiality
- **Tools:** GoGuruX, GoHighLevel, workflow automation, funnels and landing pages, AI prompting, graphic editing, video editing

TRAINING

- Online seminars on adoption and other social work topics, attended during the BS Social Work program
